**Summary of Workplan Revenues and Expenditure by Source**

The total revenue performed at 268,858,000 which is only 38% of the annual budget. The under performance was due to unrealized OGTs, LRR and under performance of transfers to LLGs non wage. The expenditure was 260,657,000 which was 97% of the release and the under performance was due to an apparent unspent balances of 8,200,000. The expenditure was as below; - Wage of 162,828,000 - non wage was 76,152,000 and Domestic Development was 21,678,000.

**Reasons for unspent balances on the bank account**

The unspent balance is 8,200,000: wage is 5,012,000 due to non recruitment in the sector while the 3,188,000 is not realistic due to failure by the centre to load this non wage expenditure in the system, otherwise there is actually no balance of the very funds as all funds were spent on activities. Evidence is at the station.
